PURPOSE STATEMENT

The purpose of Marathon Mission is for committed walkers and runners to raise financial support for the plethora of outstanding missionaries, charitable workers, and community helpers, both stateside and abroad, who daily lay down their lives for the least of these.

For those with a passion to see souls won, the hungry fed, the naked clothed, the orphans comforted, the downtrodden lifted up, and the homeless find shelter, Marathon Mission provides an avenue to use our strength to make an eternal impact.
